D & R Depot Restaurant

....A Great American Brasserie

Restaurant ♦ Catering ♦ Take Away

Hello there!

I hope you are doing well! We made it through another winter. This winter I spent a lot of time reading up on marketing ideas. One of the supreme marketing geniuses I read is Roy H. Williams. He suggests that nowadays a marketing message needs to be super quick, concise and to the point. So, for this newsletter, I'm going to be concise and to the point. No grandiose embellishments. No drawn out colorful descriptive words. No repetition of the important facts so they stick in your head as you go through your busy day. Nope, none of that at all. I'm going to be concise and to the point.
